

# HOME PAGE

Three hand-drawn wireframes for internal pages:

- PROJECTS**: A page titled "PROJECTS" featuring sections for "FAVORITES", "HACKATHONS", and "ARTWORK", each containing a grid of five square icons.
- WORK**: A page titled "WORK" listing internships at "NEST LABS" (as a UX Engineer Intern), "GOOGLE" (Software Dev Intern), and "MICROSOFT" (Project Manager Intern).
- ABOUT**: A page titled "ABOUT" with a "PHOTOS" section showing a grid of ten placeholder icons. A callout bubble points to the text "I haven't written this copy yet because I hate writing about myself and will probably organize over it last minute." There is also a small icon labeled "low poly art".

Below the "PROJECTS" and "WORK" wireframes is a wireframe for an "INTERNAL PAGE" with a header "home projects work about" and a central area labeled "PAGE CONTENT".
